

The Next Bed™

The NEXT BED™ is one of the most modern and efficient Murphy bed design the Wall-Bed business has seen yet. The development of this new product was inspired by the growth of the Murphy Wall-bed business in the USA and the industry's need for a better designed bed system.

Our customers indicated that there was a need for a simple bed mechanism with a slatted mattress base. Association between the USA, Europe and Asia created a global product that would retain many of the advantages of the old Murphy Bed but offer the user a vastly improved and more comfortable sleep system. Welcome NEXT BED™ the new global product.

Next Bed™ system
with Library Bed Hardware

Next Bed™ system
with Library Bed Hardware & Mattress

Concealed spring system to
allow any weight of mattress
to be perfectly counterbalanced.

Benefits

All sizes of the NEXT Bed™ system include our heavy duty, universal, easy-operation lift mechanisms. Designed for every day use, this mechanism allows for varying spring combinations in order to balance all bed sizes Single through King, and creates easy fingertip operation. Limited 5 YEAR warranty on manufacturers defects. *Misuse, abuse, or damage by misapplication are not covered.*

- Price: NEXT BED is priced to sell for less than the Murphy Bed or integrated mechanisms.
- Transport: NEXT BED is packed in two cartons of approximate equal weight.
- Comfortable with spinal supporting sprung slats
- Versatile - the right solution to sleeping and flexibility of space.
- Small Footprint - Less than 41cm with mattress
- Fast and easy assembly: frame installs in one hour or less.
- Automatic legs with protective floor caps.
- Balanced finger-tip Up & Down operation

Installation

Next Bed™ systems are not for DIY assembly. The bed must be assembled and installed into a purpose built cabinet by a competent Carpenter/ Joiner using the appropriate technical specification.

Please note: wall bed frames and mechanisms are illustrated with cabinets and doors (purchased separately) for demonstration purposes only - for matching cabinets and wall bed furniture, please refer to our furniture product sheet.
