

THE ALPHA BED™

KEY FEATURES

- Heavy duty & precision manufactured which has been tested to 10,000 cycles
- Robust steel bed frame
- Compact – protrudes 41cm from the wall when folded
- Mounts vertically or horizontally
- Spring balance lift mechanism with steady release for safe lifting action
- Adjustable tension to balance
- Trip-Free leg system

Designed for daily use, the Alpha Bed™ system can be used to create Single, Double and King size folding wall bed systems within a cabinet. The versatility of the design gives the user the option to mount the frame in a vertical or horizontal style.

The Alpha Bed™ is a lightweight, universal, structural steel bed frame with double overlap steel stiffeners. The design is complete with our Trip-Free™ leg system and is designed to exceed the strength of wood or aluminium as well as residential and commercial specifications.

All sizes of the Alpha Bed™ system benefit from our heavy duty, universal, easy-operating lift mechanism, which allows for a variation of spring combinations in order to balance all of our available bed sizes.

A superb safety aspect of the bed is the mechanisms steady release as the bed is pulled down. This ensures that it does not come crashing to the floor with force or speed, avoiding any health & safety issues or potential damage to the bed. When in use, the legs are tucked under bed so they don't catch feet. When not in use, the legs rotate over the mattress into the cabinet.

Limited 5 YEAR warranty on manufacturer defects. Misuse, abuse, or damage by misapplication are not covered. Please note: wall bed frames and mechanisms are illustrated with cabinets and doors (purchased separately) for demonstration purposes only.

THE ALPHA BED™ SPECIFICATIONS

| | 3' (97 X 190CM) SINGLE | 4'6" (140 X 190CM) DOUBLE | 5' (150 X 200CM) KING |
|------------------------------|------------------------------|---------------------------------|-----------------------------|
| Alpha Bed™ Vertical | A = 212cm | A = 212cm | A = 225cm |
| | B = 113cm | B = 151cm | B = 166cm |
| | C = 41cm | C = 41cm | C = 41cm |
| | D = 215cm | D = 215cm | D = 227cm |
| Alpha Bed™ Horizontal | A = 121cm | A = 160cm | A = 175cm |
| | B = 203cm | B = 203cm | B = 216cm |
| | C = 41cm | C = 41cm | C = 41cm |
| | D = 125cm | D = 163cm | D = 178cm |

Compatible Mattresses

Most mattresses are compatible with the Alpha Bed™ as the sprung counter-balance mechanism can be adjusted to compensate for different mattress weights.
