Freshtec Firm

Our Freshtec Firm mattress provides excellent pressure relief to where the body needs it the most. With high technology open-cell comfort foam providing a flexible sleep surface that adjusts to you as you move throughout the night, ensuring the mattress breathes and doesn't feel warm like traditional memory foam sometimes can. Finished off with a silky smooth knitted cover for a great feel and maximum comfort.

We are delighted to bring mattress-in-a-box technology to you with great affordable prices. Our Freshtec Firm is designed to remove the mattress buying confusion, giving a simple choice to ensure everyone gets the great night's sleep they need and deserve. Freshtec Firm features our open-foam technology partnered with a lovely soft knitted cover providing a smooth finish. Additionally, there is less than half the packaging that comes with a traditional mattress, so it's not only more convenient for you, but also better for the environment.
